

WAVERLY UTILITIES-- RULES OF OPERATION

RESIDENTIAL ELECTRIC WATER HEATING SERVICE RIDER

Rate Designation: ERWH, ERRWH
(Marathon Water Heater Program)

Application

Available under Residential, Rural, and Good Cents Service for any home using electricity for full water heating requirements. Apartments are not eligible. The customer must install a Marathon water heater or equivalent large enough to supply adequate water during on-peak times and a water heater timer that will not allow the water heater to operate during peak times. Peak times shall be defined as the weekday hours between 10:00 AM and 8:00 PM. Water heater timers shall be set to operate during off-peak times as needed by Waverly Utilities.

The customer must make written application for the rate rider and is subject to inspection of facilities at the time of application. Service is subject to applicable terms and conditions Waverly Utilities' electric service Rules of Operation.

In recognition for the conservation measures practiced and the reduction of load during system peak, Waverly Utilities will reduce the energy portion of the customer bill as follows:

2017	\$ 5
2018	\$ 0

The Residential Electric Water Heating Service Rider will be eliminated December 31, 2017.

Customers on the Electric Heat Rate are not eligible for this rate rider.

Customer bill may not be less than the customer charge.

This rate is not available for new participants after January 1, 2010.
