

RESTART TV

You can restart shows on the channels identified by the * **symbol** behind the channel number.

For programs already in progress:

STEP 1

press the **OK** button on your remote and it will bring up a menu

STEP 2

click **OK** again and it will restart the program from the beginning

Previously aired channels can be restarted through the guide:

STEP 1

use the **back arrow** until finding the program you want to watch (*you may have to arrow forward and then arrow back to the program you want for the feature to show up*)

STEP 2

click **OK** and it will bring up a menu

STEP 3

click **OK** again and then Watch Now.

You can go **back as far as 3 days** to restart programming. You can fast forward, pause and rewind with this feature as well.
