- 2) Is not responsible for any tax liability arising from customer's receipt of a rebate program;
- 3) Does not expressly or implicitly warrant the performance of installed equipment or contractors' quality of work (contact your contractor or vendor for warranty information);
- 4) Is not responsible for the proper disposal/recycling of any waste generated by this product;
- 5) Is not liable for any incidental or consequential damages caused by the installation of the equipment or for any damage caused by the malfunction of the installed equipment/product;
- 6) Does not guarantee a specific level of energy or cost savings will result from the implementation of energy efficiency measures or the use of products funded under this program;
- 7) Reserves the right to end any cash rebate program at any time without notice. Incentives are available on a first come, first served basis. Neither pre-approval of a project, nor any other action by WU, entitles applicant to a rebate payment until and unless WU approves this application. Submission of a completed application does not guarantee an applicant or contractor will receive a rebate from WU.

Project eligibility:

All projects must obtain pre-approval from Waverly Utilities (WU) and be completed between January 1 and December 31, 2023. One rebate will be awarded per each installation address. If multiple installation addresses are at a single property, one rebate will be awarded per each installation address where WU separately meters the facility. Projects must comply with all applicable federal, state, and local codes, standards, and regulatory requirements. The most current rules of this program are posted at www.waverlyutilities.com. To evaluate your project, WU will reference the rules listed on the application form posted at www.waverlyutilities.com on the day WU receives your application.

Waverly Utilities Rebate Processing and Deadline Application:

Applications must be submitted no later than January 31, 2023. Please allow up to four weeks for rebate processing. Incomplete applications may be delayed or rejected.

Program Requirements for Rebate Payment:
